USER AUTHORIZATION

In order to acquire access to B2B Autos, you must provide details of employees authorized to process orders in the store. Please be advised that every order that will be placed using the unique logins, assigned to your company, will be binding. User with Administrator permissions has opportunity to block every selected account (Profile -> Settings) or please send the same information to address e-mail eksport@autos.com.pl

Permissions variant:

1. **Administrator:** browsing the product catalog, placing orders, previewing invoices and settlements, viewing and blocking the list of users associated with the client.
2. **Catalog of products and orders:** browsing the product catalog, placing orders, viewing the outstanding debt balance
3. **Product catalog:** browsing the product catalog.
4. **Restricted product catalog:** preview of the product catalog without prices included.
